Worried about  
New Jersey's CD-7?  
Please join us!

Congressman  
Tom Kean, Jr.  
won't hold a real  
town hall...so now  
it's up to us!

Co-sponsors include

Hosted by NJ Working Families Party  
NJWFP is an independent political organization that fights for transformative change and governing power for the multiracial working class.

The Republican-controlled House in Congress is putting our economy at grave risk while pushing harmful policies that would make deep cuts to programs working families rely on. These policies will leave more people hungry, without health coverage, and make it easier for wealthy people to cheat on their taxes. Since Congressman Tom Kean, Jr. won't host public in-person town halls, we're here to remind him that his constituents are opposed to these policies. Constituents of Congressional District 7 (all of Hunterdon and Warren Counties; and parts of Morris, Somerset, Sussex, and Union Counties) are invited to a community forum to get the facts on Congressman Tom Kean's record and discuss key issues in Congress impacting their community.

On Thursday, June 15, Working Families is hosting a Citizen's Town Hall. Indivisible Lambertville/New Hope is one of the co-sponsors and we hope you'll come! To attend, register [here!!](#)

We will learn about Indivisible's **Unrepresentatives Project**. This work focuses on the 18 Republicans in Biden-won districts that are flying under the radar intentionally to avoid being associated with MAGA's dangerous vision for America. We will brainstorm ways to bring the shenanigans of Tom Kean Jr. (NJ07) and Brian Fitzpatrick (PA01) to light for their constituents!

**Fight For Our Rights Brunch  
(hosted by OneNJ7)**

**Saturday, June 24, 9am-12pm**

Scotch Plains Italian American Club  
[1976 Valley Ave., Scotch Plains NJ](#), Banquet Hall #2

In 1973 the United States Supreme Court issued its landmark 7–2 decision in *Roe v. Wade*, protecting a woman's constitutional right to choose. A few short months after celebrating the 50th anniversary of the court's decision, a partisan, ultraconservative set of justices reversed the decision, putting women and families at risk once again.

The people of New Jersey's 7th Congressional District know that Congressman Tom Kean, Jr. is not an ally in the fight for a woman's right to make her personal healthcare choices without governmental interference.

Come listen to some brief, educational and hopefully inspiring words at the OneNJ7 Fight for Our Rights Brunch. Talk with like-minded people and get ready to roll up your sleeves and fight!

Tickets (\$40) must be purchased in advance as space is limited. A light brunch will be served! Speaker to be announced. Proceeds will be contributed to OneNJ7.
