

Dear Friends,

Have you made the [Indivisible Primary Pledge](#) yet?

Indivisible national leadership unveiled its 2026 Primary Program in this [Medium article](#) and [this video](#). Remodeling the party includes finding/supporting candidates that have: fighter postures and a willingness to confront MAGAers and do-nothing Dems; a clear understanding that they're on the people's side rather than corporate/AIPAC/establishment; a bold agenda, free from corporate capture and corrupt influence; and leadership qualities that are based in moral courage vs. careerism! Saving the Democratic party means doing some remodeling, by electing leaders who will fight for us rather than fold! Please sign the national [Pledge](#) to volunteer this primary season!

BOYCOTTS (Until demands are met!)

We demand that **SPOTIFY** terminate all ICE and DHS advertising contracts. Until the demand is met, we will: 1) Cancel paid subscriptions and give a reason (i.e. "I'm cancelling until Spotify terminates ICE ads."), 2) Stop streaming the free ad-based service, 3) Support artists elsewhere (for example, on Patreon, [TIDAL](#), or [Apple music](#).), 4) Go to <https://indivisible.org/cancel-spotify>.

We demand that **STARBUCKS** give better working conditions to unionized (and hopefully all other) employees. Until the demand is met, we will: 1) Delete the Starbucks app, 2) Switch to local coffee shops, until the strike ends, 3) [Send a message to Starbucks CEO Brian Niccol and let him know you stand with the workers!](#), 4) See: nocontractnocoffee.org/

NJ: Tell State Lawmakers to Pass the New Jersey Immigrant Trust Act

NJ: Call your state senator TODAY and demand they vote NO on [S4924](#). [Find your legislator here](#). New Jersey deserves transparency — not backroom deals and power grabs. Independent oversight protects taxpayers. Diluting the Comptroller's authority is dangerous and unacceptable.
